National Seminar

on

**“Sustainable Utilization of
Plant Resources of North East India”**

Jointly Organized by

**Department of Botany
Gauhati University**

Unveiling Excellence

**Department of Botany
University of Science & Technology,
Meghalaya**

Venue

Department of Botany, Gauhati University

Date

23rd May, 2015

Invitation

We have the pleasure to inform you that Department of Botany, Gauhati University and Department of Botany, University of Science & Technology, Meghalaya, is jointly organizing a **National Seminar** at Gauhati University campus. Academicians, researchers and scholars from various parts of the country will participate in this seminar. We extend our heartiest invitation to all those who are interested to participate in the seminar.

ABOUT THE SEMINAR

Plants have a significant role in today's society, not only as a link to our heritage and traditional use but also as a basis for economic stability and growth. Sustainable management of plant resources for social stability, environmental management and economic growth is the need of the present time and to ensure the availability of these resources for the future.

The primary objective of the seminar is to provide a platform to researchers, academicians, and students for presentation, discussion and critical analysis of the various aspects of plant resources and the application of this knowledge for sustainable utilization, conservation and policy issues.

SEMINAR THEMES

The seminar aims at the following main themes:

1. Plant resources of NE India
2. Prospects and problems of sustainable utilization
3. Plant based industries and economic upliftment of rural masses
4. Value addition to plant based resources

CALL FOR ABSTRACTS

The seminar invites Abstracts of research papers for presentation in the Technical sessions from intellectuals, researchers and students. Abstracts of papers (within 200 words) should include the title of the paper (14 pt bold; centre), author (s) name (12 pt italics; centre), affiliation, mailing address, telephone number, e-mail and clearly indicating the name of the author to whom correspondence should be made. Name of the author presenting the paper should be underlined.

The abstract should be submitted through an email with an attachment to bt53@rediffmail.com or safibhuyan@gmail.com

Communication regarding selection and acceptance of paper for oral presentation at the seminar will be sent to the corresponding authors through e-mail.

The participants are requested to register for the seminar on or before 20th May, 2015 by paying registration fee in the form of DD in favour of "University of Science & Technology, Meghalaya", payable at Guwahati.

REGISTRATION FEE

Delegate	: Rs. 700/-
Research Scholar	: Rs. 500/-
NGO Participant	: Rs. 700/-
Student	: Rs. 150/-
Accompanying Person	: Rs. 400/-

DEPARTMENT OF BOTANY (GU)

The Department of Botany, Gauhati University, is one of the oldest Departments of Plant Sciences in the country established in the year 1948 and since then the Department has grown strength to strength and offers M.Sc., M.Phil and Ph.D. programmes in almost all the branches of Botany. The Department is known for its multidisciplinary character and has earned recognition for its standard of teaching and research.

DEPARTMENT OF BOTANY (USTM)

The department Botany, University of Science & Technology, Meghalaya established in the year 2012 to empower research and higher education in the field of Botanical sciences in the North-eastern Zone of India. The department aims for more concepts based and applied learning in the subject to enable the students as well as to motivate them to get absorbed in any suitable and relevant fields for their careers. The department offers M.Sc. and Ph.D. programmes in almost all the branches of Plant sciences.
