- Thai delegates visit USTM

From the Desk of the Vice Chancellor

Let me wish one and all a happy New Year 2016 and greetings of the season.

It gives me immense pleasure to present before you the progress of activities of the University of Science & Technology, Meghalaya, for the fourth quarter and odd-even semester of the eventful year 2015-16, through this news letter.

Our Hon'ble Chancellor, Sri M Hoque received the Prestigious "Aligarh Movement award 2015" for his efforts in promoting the education in NE region. USTM has become the member of AIU and a MoU was signed between USTM and JNU, New Delhi during this period.

To add to the strength of Academic Activity, Prof Amarjyoti Choudhury former Pro VC of Tezpur University joined USTM as CV Raman Chair Professor of Applied Science.

During this period, number of workshops, seminars, were organized by various departments.

I am happy to congratulate the editorial team and advisors of the news letter for their sincere efforts in bringing the news letter in time.

Dr. P.G.Rao, Vice Chancellor

Najma Heptulla

Launches Skill Development Programme for Madrassa Students

A scheme of Skill Development Centers for Madrassa students by Maulana Azad National Academy for Skills (MANAS) under the Ministry of Minority Affairs, Government of India was launched on Pilot Project basis. Dr. Najma Heptulla, Honourable Union Minister of Minority Affairs inaugurated the Skill Development Centers from the campus of University of Science and Technology, Meghalaya via remote video link in six different madrassas in the district of Kamrup, Assam and a Skill Development Centre in USTM. The facility of the Skill Development Centre at USTM will also be availed by the Christian minority in the neighbourhood of USTM. University of Science & Technology, Meghalaya will provide the technological support for the programme.

On the occasion, Dr. Najma Heptulla also inaugurated the Maulana Azad Academic Block and laid the foundation of Maulana Azad Central Library of USTM.

USTM Signed MoU With JNU, New Delhi

A MoU has been signed between Jawaharlal Nehru University (JNU), New Delhi and the University of Science and Technology, Meghalaya (USTM) on the 25th of January, 2016 by Prof. S. K. Sopory, Vice-Chancellor, JNU, New Delhi and Shri Mahbubul Hoque, Chancellor, USTM, in presence of high officials of JNU in the Office of the Vice-Chancellor, JNU.

The MOU provides that JNU will guide USTM in academic promotions especially in the field of North East Studies by mentoring and training the faculties, special classes by JNU Faculties, guidance in University governance, syllabus & examination up-gradation, and jointly organising seminars, workshops, symposia on specific themes pertaining to the region in particular and national and international issues in general. JNU will also guide USTM in managing the research programmes by jointly guiding the scholars of USTM and in preparing DPR for projects and collaborative activities by taking lead.

The cooperation will open the doors for the faculties and students of USTM to go for higher education and research at JNU. They can now attend classes for specific period at JNU, can do internship and summer training under the guidance of JNU faculty/departments and can also access the library and lab facilities at JNU.

ERDF EXCELLENCE AWARD- 2015

Shri Tarun Gogoi, Chief Minister of Assam handed over ERDF Excellence Award-2015to eighteen eminent personalities of Assam who have achieved excellence in various fields and contributed immensely to the society in a glittering a function held in the University of Science and Technology Meghalaya on the 20th of January, 2016. Shri Tarun Gogoi applauded the ERD Foundation for instituting the award for recognizing and appreciating the contribution of eminent citizens of Assam and hoped that this will encourage the recipients of the Award
