USTM Rises to 34th Rank in Nature Index Surpassing Premier Universities

The Department of Physics at the University of Science and Technology Meghalaya has been ranked at an unprecedented 34th position by the prestigious Nature Index-2024, surpassing many premier institutions of the nation in this highly competitive global research platform. At the same time, the Nature Index database, curated by Springer Nature, has ranked USTM at an impressive 48th position in terms of research outputs.

Prof GD Sharma, Vice Chancellor of USTM said that this recognition comes as a reward for the institution's commitment to cutting-edge research, innovation, and academic excellence. By consistently pushing the boundaries of scientific discovery, USTM is emerging as a leading research hub in the country.

The Nature Index is a global database that tracks high-quality research output in the natural sciences. It is maintained by Nature Research and measures institutional and country-level performance based on research publications in 82 prestigious scientific journals covering disciplines such as physics, chemistry, earth sciences, and life sciences.

USTM Robotics among top 12 teams in India at Aqua Hackathon

USTM Robotics was selected as one of the top 12 teams in India at the prestigious Aqua Hackathon conducted by Technology Incubation Centre (TIC) and Technology Innovation Hub (TIDF), IIT Guwahati. The team had Musabbir Islam from the Department of Physics and Sakib Alam from BTech CSE. They presented their idea on Aqua Robotics and AI, securing their place among the best teams from across the country on 17th March 2025.

The Robotics team of USTM participated in a 5-day residential bootcamp at IIT Guwahati, where they developed their projects further. They presented their final output of their AI-powered submarine, named "FIISHY.AI", on 21st March 2025. The 5-day Hackathon and Workshop on Underwater Robotics, organized by IITG-TIC and IITG-TIDF, is a one-of-a-kind event in the niche field of underwater robotics. Participants from Tamil Nadu, Odisha, Tripura, and Assam showcased their talents in this cutting-edge domain.

The 3rd USLR Intra Department Moot Court Competition 2025

The 3rd Intra-Department Moot Court Competition, organized by the USLR Students' Forum at USTM was held on 6th and 7th April 2025.

The event brought together budding legal minds who showcased their advocacy skills and legal acumen before a distinguished panel of judges, including Kanak Kharkongor, Assistant Legal Aid Counsel at the District and Sessions Court, Dr. Baharul Islam, Dean of USLR, USTM, and Abdul Rashid, Associate Professor, Department of Commerce, USTM.

The competition unfolded through multiple stages, including the semi-finals and the grand finale, where the best teams competed for the championship title. Participants presented well-researched arguments, confidently responded to judicial queries, and demonstrated their ability to think critically under pressure.

National Conference on Water for Climate Resilience

On the occasion of World Water Day, a national conference on “Water for Climate Resilience – North East India” was held on 22nd March 2025 at USTM. The event was organized by Nature Care Initiative (NCI), a New Delhi-based socio-environmental action group, in collaboration with USTM’s Department of Zoology and Department of Earth Science. The conference was supported by Himalayan News Chronicles, a national magazine covering the Himalayan region.

The conference was graced by distinguished personalities, including Mr. Durga Prasad Mishra, Water Technology Expert at Breath Green Pvt Ltd; Prof. Dr. Baldev Raj Gupta, eminent journalist and educationist; Mr. James Kharkongor, Deputy Project Director of the MegArise Project, Meghalaya; Prof. G.D. Sharma, Vice Chancellor of USTM; Shri Srikant Sekhar Sahoo, President of Nature Care Initiative; Mrs. Reeta Rani Nayak, Editor of Himalayan News Chronicle; Dr. Narayan Sharma from the Department of Environment and Wildlife Biology, Cotton University; Dr. Mirza Zulfiqur Rehman, Associate Fellow at the Indian Institute of Chinese Studies, New Delhi; and Dr. Nivedita Paul, Director of the Outreach Cell at USTM.

The event was also attended by faculty members from the Zoology and Earth Science departments of USTM, along with enthusiastic students focused on environmental conservation. A highlight of the event was the felicitation of three recipients of the National Water Award 2024 from Meghalaya in recognition of their exemplary contributions to water conservation.

National Seminar on Traditional Crafts Concludes Successfully

USTM successfully hosted a two-day national seminar on traditional crafts, emphasizing the significance of indigenous craftsmanship in community empowerment and the preservation of India’s rich cultural heritage on 18th and 19th March 2025. Organized by the Department of Social Work, USTM, with support from ICSSR-NERC, Shillong, the seminar brought together experts, academicians, policymakers, and artisans to explore the role of traditional crafts in fostering self-sufficient village economies and sustainable livelihoods.

Delivering the keynote address, Shri M.C. Omi Ningshen, IRS, Managing Director of the North-East Cane & Bamboo Development Council (NECBDC), provided an insightful analysis of the challenges faced by traditional artisans in the globalized market. He highlighted key concerns, including the diminishing appreciation for

The seminar featured distinguished speakers, including Shrimati Anu Mandal, CEO of AVA Creation, Mr. Joshua B. Phanwar, an MBA graduate from IIM-Bangalore.

USTM and PIMC Paid Tribute to Late Shri PA Sangma on His 9th Death Anniversary

The University of Science and Technology Meghalaya and PA Sangma International Medical College & Hospital observed the 9th death anniversary of former Lok Sabha Speaker and former Chief Minister of Meghalaya, Late Shri PA Sangma, with a floral tribute and heartfelt commemorative speeches on 4th March 2025.

Ein-King celebrated with Brainpower Battle at USTM

On the occasion of the Birth Anniversary of Albert Einstein and the Death Anniversary of Stephen Hawking, the Department of Physics at the University of Science and Technology Meghalaya organized Brainpower Battle 2.0 and an IQ Test Competition on 13th March 2025 among students from the School of Applied Sciences, USTM.

The competition featured a series of challenging aptitude and IQ tests designed to assess various aspects of intelligence, including logical reasoning, analytical skills, and pattern recognition. The participants demonstrated exceptional enthusiasm, immersing themselves fully in the tasks and engaging deeply with each round of questions. As the event progressed, the atmosphere buzzed with excitement, with competitors working against the clock and showcasing their sharp mental abilities.

The top three competitors were awarded exciting prizes in recognition of their outstanding performances, celebrating their intellectual achievements.

VC made Convocation Address at 38th Convocation of IGNOU

Prof. G. D. Sharma, Hon'ble Vice Chancellor of the USTM and former President of the Association of Indian Universities (AIU), was invited by the Indira Gandhi National Open University (IGNOU) Regional Centre, Shillong to deliver the convocation address during the 38th Convocation held on 5th March 2025.

The main convocation ceremony was graced by Hon'ble Minister of Education, Shri Dharmendra Pradhan as the Chief Guest at IGNOU's main campus in New Delhi. Prof. G. D. Sharma, as Special Guest, delivered the convocation address at IGNOU Regional Centre, Shillong, inspiring the graduating students with his insightful words and valuable guidance.

Astronomical Outreach for Night Sky-Gazing

The vastness of the cosmos unfolded at St. Edmund's College, Shillong as the Department of Physics, USTM, conducted an "Astronomical Outreach for Night Sky-Gazing" in the college campus at Shillong on 19th March 2025. With over 150 students participating, the event aimed to inspire scientific curiosity and promote hands-on learning in astronomy among students.

The program commenced with an inaugural session led by the Principal, Brother Sunil Britto. Dr. K P Pallavi Malhan, Vice Principal (Academics), expressed gratitude towards USTM for their continued collaboration, recalling previous successful joint activities.

Adding depth to the program, Dr. Nitu Borgohain, Assistant Professor of Physics at USTM, delivered an engaging talk titled "Sky is NOT the Limit." His session provided a broader perspective on humanity's place in the universe and encouraged students to explore beyond the conventional boundaries of knowledge.

A hands-on activity on "Solar Diameter Determination" followed, where students actively participated in measuring the Sun's diameter using simple yet effective techniques. The enthusiasm peaked in the evening as participants observed celestial objects through USTM's advanced telescopes, offering them a firsthand experience of stargazing.

National Pharmacy Education Day 2025

The School of Pharmaceutical Sciences (SOPS), USTM, organized a special event to celebrate National Pharmacy Education Day 2025, focusing on the theme 'Entrepreneurship & Startups in Pharma and Pharmacy Practice: Encouraging Innovation, Incubation Centers, and Pharmaceutical Startups' on 6th March 2025.

As part of the celebration, the student and faculty committee of the department conducted a workshop centered on the theme. Following the workshop, an Intra-Departmental Quiz Competition was conducted to mark the occasion.

International Women's Day

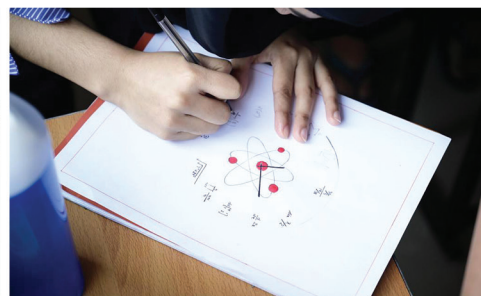

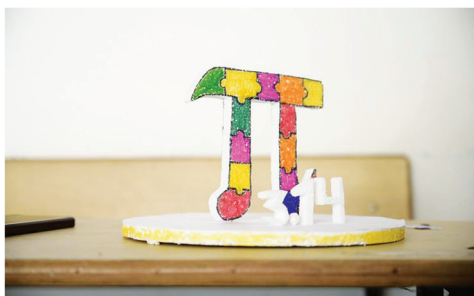

USTM observed International Women's Day with great fervor, as various departments organized special events to honor and empower women on 8th March 2025.

The Centre for Gender Studies and the Department of Economics jointly celebrated Women's Day with an empowering session dedicated to the housekeeping staff of USTM. The Department of Social Work hosted a special session on the theme "Celebrating Her Rights: Empowerment of Women in India." The session was conducted by Smti. Felicita Majaw, Former Member of the Meghalaya State Women Commission and Former English Lecturer at Nongstoin College, who shared valuable insights into women's rights and empowerment in India.

The Department of Computer Science conducted an outreach program titled "Celebrating the Strength and Stories of Women: Honoring a Lifetime of Wisdom and Experience." The event took place at Sampriti Hewa Foundation, Bhetapara, Guwahati, where students engaged with women to acknowledge their resilience and contributions to society.

The Department of Physiotherapy organized a day-long Free Physiotherapy Camp exclusively for women, providing essential health consultations and promoting physical well-being. The Department of Commerce held an outreach program on "Women's Health and Hygiene" at Assisi School, Noksikgittim, Ri Bhoi, where female students received awareness sessions and sanitary pad distributions. USTM faculty members visited the school and felicitated Sister Alphonsa, Head Teacher of Assisi School. A session on women's health and hygiene was conducted by Dr. Trishna Sharma, Assistant Professor, Department of Prasuti Tantra and Stree Roga, IA Ayurvedic Medical College. Additionally, the department hosted a talk on "Women's Empowerment through Banking and Financial Inclusion," with Ms. Pubali Hazarika, Senior Manager, Kotak Mahindra Bank, Guwahati, as the resource person.

International Day of Mathematics

On the occasion of International Day of Mathematics on 13th March 2025, the Department of Mathematics organized a day-long program at the department, including an inter-department Pi making competition, poster making, pi value recitation competition among the students of the department. The resource person was Dr. Dilip Kumar Sarma, Retd. Associate Professor, Cotton College & a renowned writer and national award winner. The departmental magazine, "Mathepodia" was also inaugurated on the occasion.

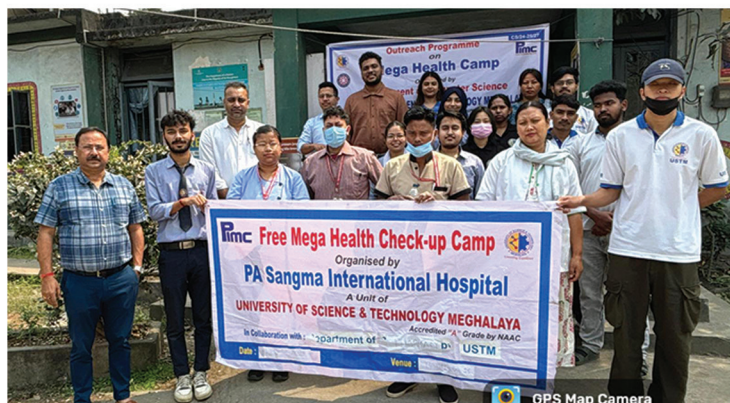

Seminar on “Quality Assurance in Tourism: Benchmarking and Best Practices

A seminar on the topic “Quality Assurance in Tourism: Benchmarking and Best Practices” was hosted by the Department of Business Administration, USTM on 7th March 2025. The session was attended by Prof. Saurabh Kumar Dixit from the Department of Tourism & Hotel

Management, North East Hill University (NEHU) along with a few more experts, who shared their knowledge with the participants. Nearly 250 students have participated in this seminar & made it a successful one.

Free Mega Health Camp at Pahambir Sub Health Centre, Ri-Bhoi

In collaboration with the Department of Physiotherapy, USTM, PA Sangma International Medical College & Hospital and the Government of Meghalaya successfully organized a Free Mega Health Camp at Pahambir Sub Health Centre, Ri-Bhoi District on 12th March 2025.

World Kidney Day

On 12th March 2025, world kidney day was celebrated aiming to educate students and faculty about the importance of kidney functions and the role of physiotherapy in maintaining renal health. An inter-department poster competition was organized by the Department of Physiotherapy where the students of the department showcased their creativity and enthusiasm.

Padma Shri Dr Sarbeswar Sahariya graced the occasion as the chief guest and delivered an insightful speech on the theme "Living healthy with kidney diseases".

Workshop on Sociology of Health & Well-being

On 26th March 2025, the Department of Sociology at the University of Science and Technology Meghalaya (USTM) organized a workshop on the Sociology of Health & Well-being at the NKC Auditorium. The event featured distinguished speakers, including Dr. Nayem Raja, Senior Consultant in the Department of Congenital Heart Surgery at Health City Hospital, and Dr. Mofida Khatun, Assistant Professor in the Department of Kayachikitsha at UHAN, IAMC.

Workshop on Financial Literacy & Awareness for Inclusive Growth

The School of Pharmaceutical Sciences (SOPS), USTM, in collaboration with the ICICI Foundation and the NSS Cell, USTM, organized a workshop and awareness program for students, research scholars, and faculty members on 13th March 2025. The session featured Mrs. Momi Sonowal, Development Officer at the ICICI Foundation, as the resource person.

A Tribute to Forests Through Art, Knowledge, and Action

The celebration of the International Day of Forests organized by the Department of Botany, USTM, on the 21st of March 2025, was marked by a series of meaningful and engaging activities aimed at raising awareness about the significance of forests and their conservation. The event saw enthusiastic participation from students, scholars, and faculties. The program commenced with a special talk delivered by Dr. Bibhu Prasad Panda, a dedicated professional in the field of Biodiversity, Ecology, and Environment, currently placed at Siksha "O" Anusandhan (Deemed to be University), Bhubaneswar, who enlightened the audience on the vital role forests play in sustaining life on Earth. This event was followed by inauguration of a Wall Magazine and a quiz competition. The day concluded with a visually captivating photography competition on the theme "Forests." To celebrate the community's cultural diversity, a display of ethnic food was also organized, offering attendees a unique culinary experience. Traditional dishes, rich in flavor and history, were presented to celebrate the connection between local traditions and nature.

Health Camp at Pillingkata

The PIMC in collaboration with Department of Botany, USTM and the Government of Meghalaya, organized a Free Mega Health Camp at Pillingkata Sub Centre, Ri-Bhoi District on 19th March 2025. A team of doctors and healthcare professionals provided essential medical services to the local community.

Free Mega Health Camp at Hatimara Village

The Department of Sociology, USTM and the PA Sangma International Medical College and Hospital jointly organized a Free Mega Health Camp at Hatimara village, Ri-Bhoi District, Meghalaya on 27th March 2025.

Workshop on Emerging Technologies

The Department of B.Tech, USTM organized a two-day workshop on Emerging Technologies on 27th March 2025. Mr. Vivekanandan M, Mr. Mahesh S, and Mr. Shekhar Chaliha were the resource persons of the workshop which aims to enhance learning and practical insights in the field. Over 150 enthusiastic students from Computer Science & Engineering, Artificial Intelligence, Mechanical Engineering, Electrical & Electronics Engineering and Civil Engineering participated in the workshop.

Workshop on NEP 2020

The Department of Business Administration organized a workshop on NEP 2020 Implementation mandated by UGC 'National Credit Framework' (NCRF) on 27th March 2025. The session provided valuable insights into the transformative framework paving the way for a more flexible and holistic education system. The Undergraduate students of USTM attended the session.

World Optometry Day

A poster-making competition "USTM OPTOCON 1.0" was organized by the Department of Optometry from the School of Allied Medical Sciences to mark the celebration of "World Optometry Day" on 24th March 2025.

Student participated in State-Level Viksit Bharat Youth Parliament

Deepak Ray, an NSS Volunteer and a student of Department of Business Administration, represented USTM at the State-Level Viksit Bharat Youth Parliament Competition 2025 held on 27th March 2025 at the Lariti International Centre for Performing Arts and Culture, Mawdiang, Shillong, Meghalaya.

The event was graced by Hon'ble Speaker, Shri Thomas A. Sangma, Meghalaya State Legislative Assembly, as the Chief Guest along with other member of Meghalaya State Legislative Assembly and other departments of Govt of Meghalaya.

Two-Day Hands-On Training on Spinal Manual Therapy

The Department of Physiotherapy, University of Science and Technology Meghalaya, successfully organized a two-day hands-on training workshop on Spinal Manual Therapy from March 27-28, 2025. The program aimed at enhancing the knowledge and practical skills of physiotherapy students and professionals, featuring expert resource person Dr. Satyen Bhattacharya, Associate Professor at Burdwan Institute of Medical and Life Sciences, West Bengal. The workshop was inaugurated by USTM Vice Chancellor, Prof. G. D. Sharma, who addressed the participants with an encouraging speech, emphasizing the significance of hands-on training in manual therapy for improving patient outcomes. Dr. Satyen Bhattacharya provided in-depth insights into various manual therapy techniques for spinal conditions, equipping participants with essential skills in the field. The inaugural session concluded with a vote of thanks delivered by Dr. Pooja Chaudhuri, HOD & Associate Professor, Department of Physiotherapy, USTM.

NCC students selected for CATC Shooting Camp

13 cadets from the university's NCC unit were selected for the prestigious CATC Shooting Camp at the 41 Battalion NCC, Tura held from 19th to 25th March 2025. The selected cadets were 7 SD & 6 SW (Senior Division & Senior Wing). Out of them two of our exceptional cadets have earned the prestigious best shooter title at the 42 Meghalaya Bn NCC. The selected cadets are Firdous Reeha from the Department of Psychology and Cadet Mahua Das from the Department of Applied Biology.

Books Released

The Department of Botany, School of Biological Sciences, USTM published two books on 5th March 2025. The books are: 1. "Sustainable Utilization of Plant Bioresources of North East India", Edited by Dr. Mautushi Das, Dr. Nibedita Das, Dr. Pranita Hajong & Dr. Amilia Nongbet, and published by EBH Publishers, Guwahati. 2. Basic Fundamentals of Botany – A comprehensive guide to plant sciences, authored by Dr. Mautushi Das and Dr. Khikeya Semy, published by Scientific International Publishing House.

Campus Drive

The Training and Placement division of USTM conducted a Campus Drive in collaboration with Bajaj Allianz General Insurance Co. Ltd on 26th March 2025. The resource persons of the session were Ms. Tanuja Roy, Area Head, Bongaigaon AO and Mr. Ajay Kr Prasad, Branch Head, Shillong.

Student Placement

Raju Nath (MSW), Dania Khatun (MSW), and Khusboo Tailor (MBA) have been selected as Block In Charge at Rajasthan Grameen Aajeevika Vikas Parishad, Department of Rural Development, Government of Rajasthan on 12th March 2025.

Dr Yogal Kishore Mohanta

Dr Yogal Kishore Mohanta, Assistant Professor, Department of Applied Biology USTM was honored by ACS Publications of the American Chemical Society with a Certificate of Recognition and Appreciation on 27th March 2025.

Student Achievement

GATE 2024

RABIA SULTANA
Dept. of Zoology

DEVOLEENA DAS
Dept. of Zoology

KARPUN PULI DOLEY
Dept. of Zoology

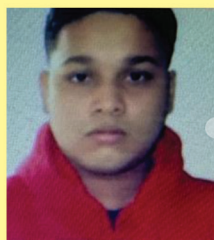

CHELSEA D SANGMA
Dept. of English

SURAJ ROY
Dept. of Physics

BISHALI GOGOI
Dept. of Botany

PRAGYANDEEP KASHYAP
Computer Science & Engineering

TONI DEORI
Computer Science & Engineering

CHERYLDA M IAWRAM
Civil Engineering

R. EVANSANKUPAR NONGKHLAW
Civil Engineering

ANINDITA BRAHMA
Dept. of Sociology

11 students from various departments qualified GATE exams 2024. The students are Rabia Sultana, Devoleena Das, Karpun Puli Doley from the Department of Zoology, Chelsea D Sangma from the Department of English, Suraj Roy from the Department of Physics, Bishali Gogoi from the Department of Botany, Pragyandeep Kashyap, Toni Deori, Cherylda M Iawram, R Evansankupar Nongkhaw from the Department of Computer Science and Engineering & Anindita Brahma from Dept. of Sociology.

Alumnus Success

Mustafizur Rahman, an alumnus from the Department of Chemistry, USTM was awarded the prestigious Erasmus Mundus Scholarship 2024 for an MSc in Materials for Energy Storage and Conversion (MESC) in the European Union. This highly competitive program spans top universities in Poland, France, Spain, Slovenia, and the USA, with only 36 students selected worldwide. His achievement is historic, as he became the first student from North-East India to receive the Erasmus Mundus MESC scholarship. Currently, Mustafizur is pursuing his Master's journey across Europe. He completed his 1st Semester from Warsaw University of Technology, Poland and the 2nd Semester from Université Toulouse III - Paul Sabatier, France.

Quiz Competition on NEP 2020 implementation

On 12th March, a quiz competition was held at USTM on NEP 2020 implementation. Students from various departments participated in the competition mandated by UGC Delhi. The winners of the quiz competition were Laraib Khurshid, Dinku Sarkar and Dunemehi G Suchiang from the Department of Business Administration.

USTM Student in NE Youth Fest in Gangtok

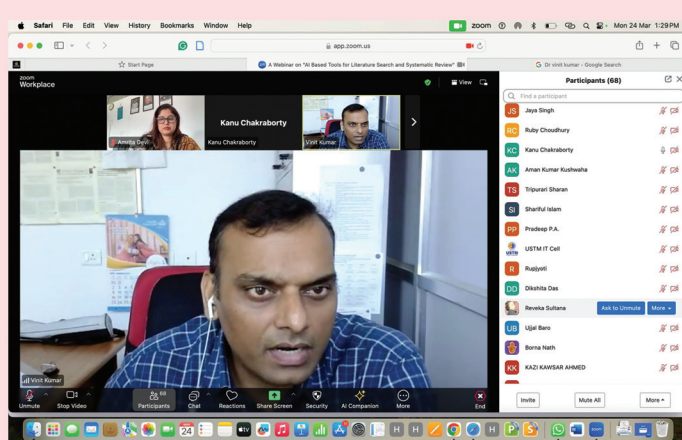

Shri. Larrie Eleazer Rani a student of USLR (University School of Law and Research) represented Meghalaya in the Solo Guitar Competition at the 8th North East Youth Festival 2025 in Gangtok, Sikkim on 19th March 2025.

Tribute to Sir Syed Ahmad Khan

The Department of Education, PQSE, at USTM organized a heartfelt tribute to Sir Syed Ahmad Khan, honoring his remarkable contributions as a visionary reformer, educationist, and the founder of Aligarh Muslim University (AMU) on 27th March 2025.

Webinar on AI-Based Tools for Literature Search and Systematic Review

The Department of Library and Information Science organized a webinar on "AI-Based Tools for Literature Search and Systematic Review" on 24th March 2025. Dr. Vinit Kumar from the Department of Library and Information Science, Babasaheb Bhimrao Ambedkar University, served as the resource person for the session.

DST-ANRF Funded Project Awarded to USTM Faculty

Dr. Amilia Nongbet, Assistant Professor & HOD, Department of Botany, USTM, was awarded the prestigious research project under the Anusandhan National Research Foundation: Inclusivity Research Grant (ANRF-IRG), funded by DST, Government of India on 28th March 2025. Her project, titled "Bioprospecting of underutilized wild edible plant Haematocarpus validus for novel sources of nutraceuticals from Meghalaya," will be conducted over the next three years.

All India Inter University Kickboxing Championship 2025

Team USTM participated in the All India Inter University Kickboxing Championship 2025, hosted by Swami Vivekananda Subharti University, Meerut, Uttar Pradesh, from March 21 to 25. More than 85 universities from across the country competed in the event.

Students participated at 7th Act East Business Show

The Departments of Applied Biology, Business Administration, Commerce, and Rural Development represented the Center for Innovation, Incubation, and Entrepreneurship (CIIE) at the 7th Act East Business Show, organized by CII and the Government of Meghalaya at the State Convention Center in Shillong on 27th March 2025.

Team USTM at East Zone Inter University Handball Tournament 2025

Team USTM competed in the East Zone Inter University Handball Tournament 2025 at Kalinga Institute of Industrial Technology, Odisha, from March 16 to 18, 2025. With 16 talented players and guided by coach Deepak Sarkar, the team showcased their skills and determination on the court.

3rd Prof. Barrister Pakem Memorial Sports Meet 2025

The 3rd Prof. Barrister Pakem Memorial Sports Meet 2025 was successfully organized by the Khasi Students' Union of USTM, with the support of the Sports Forum of USTM on 14th March 2025. The sports meet was participated by over 200 talented players competing across six thrilling sporting events.

North East Region Inter-College Basketball Tournament

The Men Team of USTM kicked off the North East Region Inter-College Football Tournament with a victory, winning their first match against Tezpur University on 2nd March 2025. The tournament was hosted by Assam Don Bosco University. On the other hand, the USTM Girls Basketball Team has emerged victory at the North East Region Inter-College Basketball Tournament hosted by Assam Don Bosco University from March 1st to 3rd 2025.

Publications during March 2025

Title	Journal Name	Writer
Gemini 14-s-14 micelle-catalyzed study between ninhydrin and valine reaction by different techniques (spectroscopic and conductometric)	Chemical Physics (Elsevier)	Dr. Nazima Sultana
Mangrove pneumatophores as biocatalyst for the fabrication of silver nanoparticles and its potential applications against biofilm and hepatic carcinoma	RSC Nanoscale Advances	Dr. Yugal Kishore Mohanta
Recent advances on artificial intelligence-based approaches for food adulteration and fraud detection in the food industry: Challenges and opportunities	Food Chemistry	Dr. Yugal Kishore Mohanta
Leveraging Graph Theory : Exploring the Laws of Social Media Through Graph Decomposition and the Insights of Metcalfe's and Sarnoff's	International Journal of Science, Mathematics and Technology Learning	Dr. Anupam Dutta
Controllable Nonlinearities in Landau-Quantized Graphene,	Journal of Applied Physics	Dr. Nitu Borgohain

Book Published:

Bio based resource management jointly published by Dr. Pradip Kumar Baruah, Dr. Milu Rani Das, Dr. Bedabati Chowdhury, Dr. Dhritiman Chanda, Dr. Nazir Ahmed Bhat; ISBN No. 978-93-48070-31-9
