# Various Programmes

The university continuously upgrades its academic offerings and services to meet the evolving demands of the global workforce and ensure that the industry standards are met. All the programmes offered by the university undergo constant review by accrediting bodies and are enhanced by the valuable insights from industrial partnerships and memberships with local and global organisations. The university provides UG, PG and Ph.D. in the following courses.

- ▶ Chemistry
- ▶ Geography
- ▶ Environmental Science
- ▶ Physics
- ▶ Mathematics
- ▶ Physiotherapy (BPT & MPT)
- ▶ Medical Laboratory Technology
- ▶ Pharmacy (D.Pharm & B.Pharm)
- ▶ Biotechnology
- ▶ Microbiology
- ▶ Botany
- ▶ Zoology
- ▶ Food Science & Technology
- ▶ Business Administration (BBA & MBA)
- ▶ Hospital Administration
- ▶ Economics
- ▶ Commerce
- ▶ Social Work (BSW & MSW)
- ▶ Sociology
- ▶ Political Science
- ▶ Rural Development
- ▶ English Literature
- ▶ Library & Information Science
- ▶ International Relations

- ▶ B.Tech Artificial Intelligence
- ▶ B.Tech Data Science
- ▶ M. Tech (CSE,CE, ME & EEE)
- ▶ Allied Medical Programmes
- ▶ BAMS
- ▶ MBBS

## Chancellor Speaks

It was a proud moment that USTM became the first university from North East India to achieve Grade “A” by NAAC in its first cycle of assessment and ranked among the top 200 universities of India by NIRF. This success has been possible solely due to the trust and confidence bestowed by the students and guardians; cooperation and patronage extended by academicians, intellectuals, media and general public at large. ERD Foundation, the promoter of USTM and the largest educational network of NE India had been catering education from KG to PG to PhD through its various institutions. Ultimately, this experience has become the spirit behind the growth of USTM as a People’s University.

Located at the foothills of Meghalaya, spread over 350 acres of land, the university has been able to attract students from all the north-eastern states giving a platform for the students coming from diverse cultural, ethnic and linguistic backgrounds to live and learn together. USTM is a symbol of emotional integration and a unique conglomeration of various traditional values of the entire north-eastern region of India. It is in the process of becoming a global destination of higher education and research to nurture local students amidst a global community. Now to fulfil this global mission, the University is keen to welcome students from various countries of the world and to make it a destination for higher studies and research. Keeping this in view, the University is ready to offer all kinds of help so that the interested candidates of any country can get their education in an affordable way. We will also offer Fellowships/Scholarships/Freeships to poor meritorious/meritorious students from various countries who will be shortlisted by screening committees with the support of educational bodies and Embassies of the countries.

Dear all, we are aggressively striving to make USTM a Centre of Excellence & a World Class Destination. I appeal to all aspirants to join USTM to transform their dreams into reality for a brighter future.

## *Vice Chancellor Speaks*

It gives me immense pleasure to launch the Information Brochure for International students who are seeking admission at University of Science and Technology Meghalaya (USTM), with various flexible options available under the National Education Policy-2020. USTM is empowered by the University Grants Commission (UGC), Ministry of Education, Govt of India to award degrees as under section 22 of the UGC Act, 1956 and is having the necessary approvals from the concerned statutory bodies of Government of India to offer different study programmes. Equipped with the state-of-the-art infrastructures and strengthened by the competent team of faculty members, the University has been able to reach the leaps and bounds of success in a short span of time, marching forward to make it a Center of Excellence in the field of higher education, research and innovation.

I am also glad to share that USTM has a very smooth lineage with Association of Indian Universities (AIU) for equivalence of foreign degrees and qualifications. Moreover, the university has already signed Memorandum of Understanding (MoU) with more than 370 premier national & international institutions for numerous collaborative works and exchange programmes in order to provide the best exposures to the students and faculty members.

USTM has been blessed by a galaxy of eminent personalities, to name a few- Dr. APJ Abdul Kalam; Former President of India, Shri Ram Nath Kovind, Former President of India; Shri Ved Prakash, Chairman, UGC; Shri AS Kiran Kumar, Chairman, ISRO; Nobel Laureates, Governors, Chief Ministers, Distinguished Academicians & Scientists from India and abroad, who graced various occasions of the university and encouraged our students and faculty members. Recently, the university has hosted the AIU's 97th Annual General Body Meet and National Conference of Vice Chancellors at its Campus where more than 500 Vice Chancellors from all across the country and abroad have graced the occasion.

As we strive towards making USTM as a global destination of quality higher education and research, we welcome the bright minded students community from all across the globe to join with us in fulfilling their aspirations. We are committed to serve the global community to the best of our ability by providing the finest guidance, mentorship and facilities at par with the leading institutions of the world.

## MESSAGE

I have seen the steady growth of University of Science and Technology Meghalaya (USTM), Meghalaya and am impressed with the conducive environment for teaching- learning in the serene ambience. The University is encouraging the student's competitive spirit by incentivizing the students who qualify national level competitive examinations. The USTM is constantly striving to provide the maximum exposure to its student's community by organizing mega events on academics & research; sports & culture etc. by involving stakeholders from various domains. This is really unique and unparalleled effort for an institution.

It is the time for the USTM to expand its wings to promote internationalisation by admitting international students and by engaging international faculty members through collaborative initiatives. AIU wishes you all the best and is always ready to extend all cooperation for its march towards academic excellence.

**Dr. Mrs. Pankaj Mittal**  
Secretary General  
Association of Indian Universities

  
(Pankaj Mittal)  
Secretary General

# Vision, Mission & Values

## VISION

To compete globally in making USTM one of the best destinations of teaching learning community by 2030 through quality education and research.

## MISSION

Contribute to society by nurturing leaders and unlocking potential of youth through excellence in education, innovation and entrepreneurship.

## CORE VALUES

Competitive & Progressive, Excellence & Creativity, Compassion & Inclusivity.

# About USTM

The University of Science & Technology, Meghalaya (USTM) promoted by ERDF, is the fastest growing University in the entire North East India spreading in 300 acres of land surrounded by tranquil greenery in the Assam-Meghalaya border in the Ri-Bhoi District of Meghalaya. It is just 3 km away from Guwahati city, the capital of Assam, 32 kms from Guwahati International Airport (LGBI) and 80 kms from Shillong the capital of Meghalaya & 2 hrs Air Journey from the capital of India, New Delhi.

The University has been established through enactment in the state legislative assembly of Meghalaya (Act No. 6 of 2008) and incorporated under section 2(f) of the UGC Act, 1956, and having approval from statutory bodies like AICTE, NCTE, PCI, and BCI.

The university has been accredited “A” grade by NAAC in the first cycle and has also been ranked amongst the top 200 universities of India by NIRF-2023, GOI.

At present, the total enrollment is more 10500 students of which, 20% students are availing free education. Nearly 90% of USTM’s total enrollment is that of rural students, with over 38% are tribal students and 57% are girl students.

# Our Collaborations to Excel

370+ MoUs

**IITs**

**Central Universities**

**State Universities**

**Corporates & Industries**

**NGOs**

USTM adopted the concept of collaboration and inclusive participation by developing the spirit of working together with the institute of excellence right from its establishment, and this has been one of main boosts towards its remarkable journey of achieving excellence in the field of academics and research within a short period of time. So far, the university has signed Memorandum of Understanding (MoU)s with more than 370+ premier institutions across the country and globe with an aim to foster its academics, research and innovation. While we have a long way to go alongside our proven record of excellence, we believe that such collaborations and joint initiatives with the premier institutions will continue to give us new wings to fly higher in making USTM a global destination for higher education and research in the coming days.

# USTM -A Home away from Home

## International Hostel

USTM has established the International Hostel for students from across the globe with all the amenities and state-of-art facilities.

The Hostel caters to the various cuisine needs of International students with a variety of custom made services to make your stay comfortable.

## Diverse Culture & Language

USTM is not just a university but a community that values cultural diversity and respect for all religion, faith, age, gender and socio-economic status. More than 50 communities & tribes with different cultural background study at USTM.

## Sports and Fitness

University has established a Games Village to provide a platform for every student to keep them fit and also nurture the sports talents to participate in National & International Events.

To ensure safety & security to every student, USTM have strong administrative setup including deployment of security personal in every blocks. Strong technological support and surveillance system is installed to monitor any small deviation.

USTM provides Airport Pick-up & Dropping services for all its international students.

### Banking Services

The University has ATMs and banking services inside the campus

The university hospital provide 24hrs health-care services. Ambulances are also present for any emergencies.

### Local Visit

Special Shuttle services are provided to international students for local market visits and other such travel with caretaker.

### Guest House for Parents

USTM has established an International Guest House in the campus for visiting parents and guardians of international students studying in the university.

### Flexible Dress Code

USTM has its own dress code and uniform but international students can also opt for their traditional wear during classes.

### Caretaker

Special caretakers will be assigned from the same country to look after all the logistic requirements of the students from that country.

# Academic Transition Support

## Centre for Foreign Languages

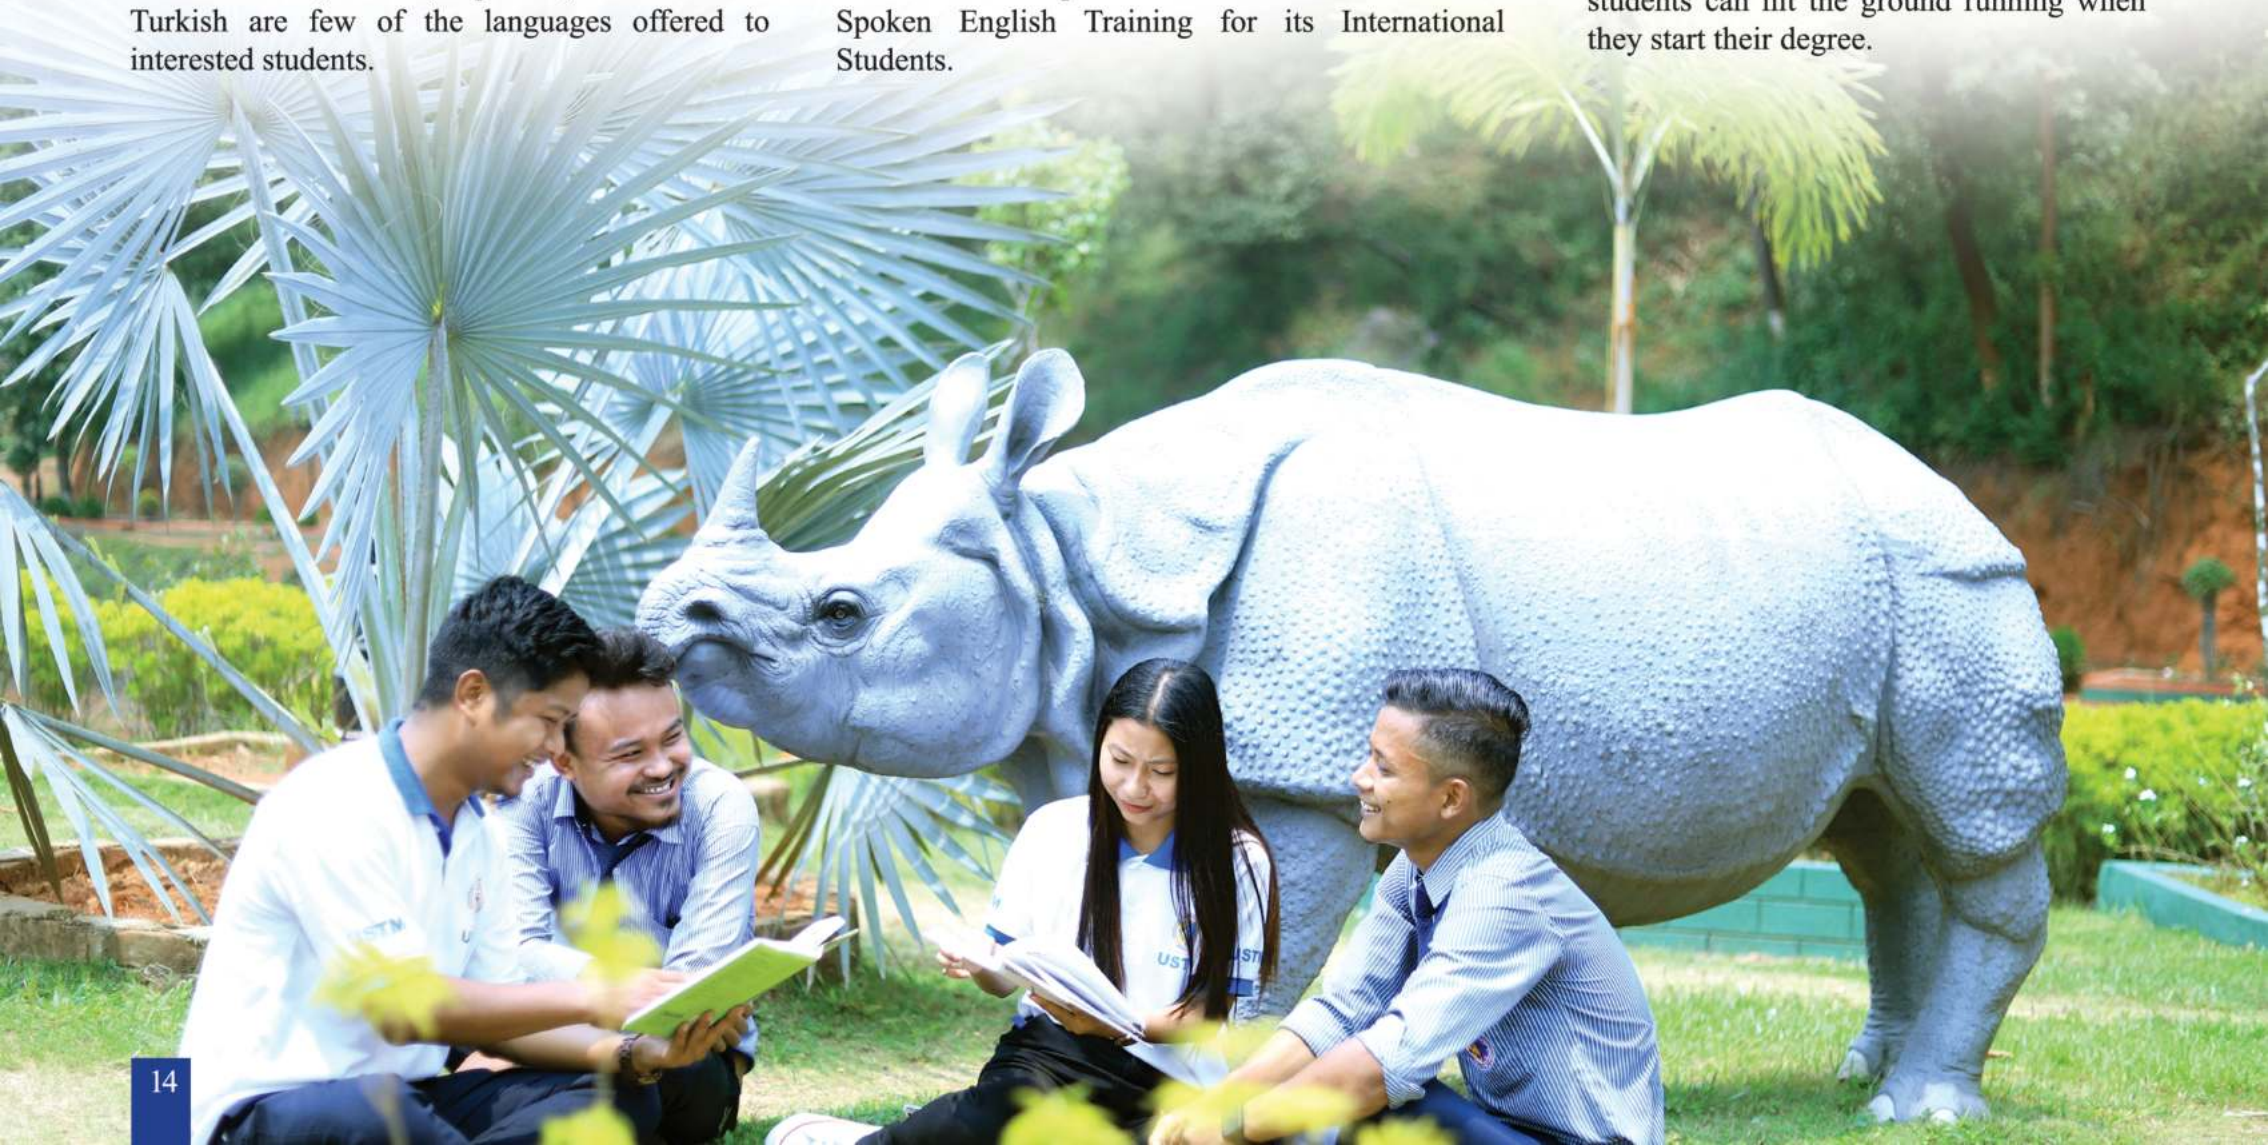

The Centre for Foreign Languages intends to cater to the compelling requirements of the present fast-moving world and its multi-linguistic requirements. French, Arabic, Japanese, Mandarin and Turkish are few of the languages offered to interested students.

## Communication Skill & Spoken English

English is the dominant global language and it has become almost a necessity for people to speak English if they are to enter a global workforce. USTM offers special Communication Skill & Spoken English Training for its International Students.

## Bridge Courses

USTM offer various Bridge & Foundation courses for international students whose prior education may not align with the entry requirements ensuring that international students can hit the ground running when they start their degree.

# USTM Goes Global

USTM embraces a unique tradition of access and opportunity by fostering a very inclusive and culturally enriched diverse environment for teaching, learning & research. The University intends to make it a global destination - a home away from home for students from various countries to pursue higher education and research.

USTM is keen to provide multidisciplinary education options to our international students by giving them a platform where knowledge meets achievement; history meets future and ambitions meets inspiration.

With “**USTM Mission Global**”, we are keen to launch the following programs for international students and scholars specially for the students from the developing and underdeveloping countries :

- ▶ **Fellowship for Ph.D. & Research**
- ▶ **Scholarships & Freeships for meritorious underprivileged students.**

# Global Scholarships & Fellowships

With the objective of encouraging meritorious students and academic excellence, Scholarships/ Awards are offered to deserving students of the University by the University of Science & Technology, Meghalaya.

## Details of Scholarships / Fellowships

**Scholarships & Freeships** for meritorious underprivileged students: The University offers freeships (100%) and scholarships to meritorious underprivileged international students to pursue their aspirations of a world class education.

**Fellowship for PhD & Research:** These fellowships are offered for extensive research studies and Ph.D Programmes.

**Freshman Merit Scholarship:** USTM offers a generous merit scholarship to talented students. These are awarded based on past academic performance and potential to excel.

**AIU-USTM Scholarship:** Two special scholarships shall be offered to two bright students from each country to be nominated by the respective Ministry of Higher Education/Embassy for pursuing Undergraduate, Post graduate and Ph.D. Programmes at USTM.

Sl. No.	SCHOLARSHIP & FELLOWSHIP
1.	Prof Qoumrul Hoque Fellowship for Research & Innovation

## Eminent Personalities Speaks..

The University must exercise moral leadership to meet the challenges of the 21st century. I strongly believe in the leadership of USTM to create a Centre of Excellence for rural talents. My best wishes to team USTM led by its founder Mahbubul Hoque.

**Dr. APJ Abdul Kalam**  
11<sup>th</sup> President of India

I had no idea that such a huge University exists so near the National highway. This University carries a multifarious teaching and research activities in different fields. I wish all success to USTM in the coming years.

**Shri Satya Pal Malik**  
Governor of Meghalaya

USTM is unique due to its Human touch. This university will reach the heights of excellence under the leadership of its dynamic chancellor to make this region "Education Hub". I am confident that USTM will soon become a global destination for teaching, learning & research.

**Shri Conrad Sangma**  
Chief Minister, Meghalaya

University of Science & Technology, Meghalaya has been growing as the best private University in the NE region. It acts as a path finder in the field of higher education which is a dire need of the the time. I hope one day USTM will be a world class university.

**Prof. Ved Prakash**  
Former Chairman, UGC, New Delhi

Amazed to witness such a young University like USTM creating immense contribution in the education movement of the North Eastern region. I am sure, one day it will be one of the best Universities of the country. Wishing all the very best.

**Prof. M Jagadesh Kumar**  
Chairman, UGC, New Delhi

I am impressed to know that this University is emerging as a rising star in the North Eastern region, doing extremely good in research and academics within a very short span of time starting with a humble resource. Stakeholders of the region must follow this footstep and bring a revolution in higher education.

**Shri Ram Nath Kovind**  
14<sup>th</sup> President of India

I am amazed to see the gigantic campus of the University and also the cultural activities. I wish every success to the University.

**Shri Gulab Chand Kataria**  
Hon'ble Governor of Assam

USTM is progressing and contributing immensely to the field of higher education in the region. I congratulate the University community as it has been recently accredited by NAAC with "A" Grade in the first cycle of assessment. Best wishes.

**Dr Himanta Biswa Sarma**  
Chief Minister, Assam

I am happy to visit USTM and unveil the statue of Bharat Ratna, former President of India, Dr. APJ Abdul Kalam. I had a very fruitful session with the officials, staff, and students. Compliments to the Chancellor, Vice-Chancellor, and their team. Best wishes for USTM family.

**Prof. D P Singh**  
Former Chairman, UGC, New Delhi

It is indeed heartening to see the enthusiasm of the students and faculty of this institution. Wishing a great future to all endeavours.

**Shri A S Kiran Kumar**  
Chairman, ISRO

## Eminent Personalities Speaks..

I am very pleased to be with the students and faculties of the University especially the founder Chancellor for the service to higher education in North-East.

**Shri Kailash Satyarthi**  
Nobel Peace Laureate

I am very much impressed by the university infrastructure, study ambience and the enthusiasm of the students. I enjoyed the interactive session with the students of the USTM.

**Shri Navin B. Chawla**  
Former Chief Election Commissioner, India

I am happy to learn that the USTM is working actively upon outcome based education. I appreciate that the Chairman of NAAC peer team has announced that USTM has the potential to be awarded A++ in the next cycle of NAAC inspection in 2026

**Prof D P Agrawal**  
Former Chairman, UPSC

I was very impressed by the academic and research activity being carried out at the University. It is amazing that so much of infrastructure has been created in a short period. This University has a bright future.

**Lt. Gen. Zameer Uddin Shah**  
Former VC, Aligarh Muslim University

The environment and ambience is excellent, feel closer to the nature. I am sure this university will go a long way and will be a global standard university.

**Prof Govindan Rangarajan**  
Director, IISc. Bangalore

I was very impressed by the academic and research activity being carried out at the University. It is amazing that so much of infrastructure has been created in a short period. This University has a bright future.

**Dr (Mrs) Pankaj Mittal**  
Secretary General, AIU

Awesome and exceptional. The mission and vision are so aligned. It's a pleasure to be here. Great learning experiences.

**Prof. Santishree D. Pandit**  
Vice Chancellor, JNU, New Delhi

It is my pleasure to visit USTM. The dynamic leadership of this vibrant institution is really appreciable. I wish the University to become a world class university in the coming days.

**Padma Shri Dr. Bibek Debroy**  
Chairman, Economic  
Advisory Council to the PM
