Chancellor Mahbubul Hoque inspires students

The Chancellor of USTM, Shri Mahbubul Hoque, had a special interaction with the students of the Computer Science and Political Science departments on 30th April 2025. It was an inspiring session where he shared his thoughts, experiences, and vision for the future. The students felt motivated and encouraged by his words. The Chancellor took time to listen to the students and answered their questions with great interest.

USTM Social Work Excellence Award-2025 to Dr. Carmo Noronha

Every year on the occasion of World Social Work Day, the Department of Social Work at the University of Science and Technology Meghalaya (USTM) conferred Social Work Excellence Award upon an eminent person who has contributed immensely to the society on 22nd April 2025. This year's Social Work Excellence Award has been conferred to Dr. Carmo Noronha, Secretary of Bethany Society, Shillong. The Award was handed over to him by Prof GD Sharma, Vice Chancellor, USTM in the presence of a distinguished gathering. Dr. Noronha is a dedicated social worker and changemaker who has championed inclusive

education and sustainable livelihoods, and empowerment of persons with disabilities. He was earlier recognized nationally with the 'Best Individual Working for the Cause of Persons with Disabilities' award by the President of India.

Dr. Noronha expressed gratitude to USTM and highlighted the continued efforts of Bethany Society under the leadership of Bertha Dkhar. He remarked, "We human beings can become pearls if we get the right environment to grow," and offered meaningful insights to the students and faculty present.

USTM Participates in Key Meeting Convened Meghalaya Education Department

Prof. G.D. Sharma, Hon'ble Vice Chancellor of USTM, and Mrs. Anju Hazarika, Registrar, USTM, participated in a significant meeting convened by the Education Department, Government of Meghalaya on 9th April, 2025. The session was chaired by the Commissioner & Secretary of the department and brought together representatives from all private universities in Meghalaya. The meeting served as a platform for insightful dialogue, addressing important educational matters and exploring avenues for future collaboration. Members of the Meghalaya Private University Regulatory Board were also present, enriching the discussion with their valuable inputs.

New Endemic Frog Species discovered from Northeast India by USTM Faculty

In a significant breakthrough for biodiversity research in Northeast India, a new species of frog has been discovered from the Garbhanga Reserve Forest in Western Assam and the adjoining Ri-Bhoi District of Meghalaya on 17th April 2025. The discovery was made by Dr. Dipankar Dutta, Assistant Professor, Department of Zoology, USTM, in collaboration with eminent herpetologists Dr. Jayaditya Purkayastha, Dr. Jayaditya

Purkayastha, Dr. Jayanta Gogoi, and Dr. Saibal Sengupta. Published in the internationally renowned journal Zootaxa on April 14, the newly described species-Leptobrachium aryatium-adds a crucial piece to the puzzle of amphibian diversity in the region. The research on this frog species began as early as 2004 and identifies it as previously considered part of the Leptobrachium smithi group, which is also found in Southeast Asian countries.

Pre-Rongali Celebrations

USTM campus came alive with colors, culture, and celebration of Pre-Rongali Bihu as students, faculty and staff gathered for a memorable Pre-Bihu afternoon on 12th April 2025. The event was a colorful one as the USTM family came together and danced to soulful tunes and flaunted traditional attire capturing beautiful moments to the spirit of Rongali Bihu.

Amcon 1.0 observed on the occasion of World Health Day

On the occasion of World Health Day, the School of Allied Medical Sciences, USTM, in collaboration with PA Sangma International Medical College and Hospital organized the 1st Allied Medical Science Conference – AMCON 1.0 on 5th, 6th & 8th April 2025, with the global theme: “Healthy beginnings, hopeful future”. The event featured competitions like essay writing, extempore speech, poster presentation and a free health camp. Dr. Amirul Hussain Barbhuiyan, Principal, School of Allied Medical Sciences commenced the conference with the welcome address. The conference witnessed enlightening sessions by renowned medical experts from across various disciplines. Prof GD Sharma, Vice-Chancellor, USTM shared valuable insights on medical world during his opening speech. The keynote speech was given by Prof. Dr. Abhinandan Das, Principal PIMC on “Newborn Screening: Detecting Diseases Early for a Healthier Future”. Padmashri Dr. Sarbeswar Sahariah, Pro. V.C. University of Science & Technology Meghalaya addressed the gathering on “Renal Diseases of the New born”.

Celebration of Ambedkar Jayanti

University School of Law and Research (USLR), in collaboration with the NSS Cell of the University of Science and Technology Meghalaya organized a special talk on "Dr. B.R. Ambedkar's Vision for Social Justice: Relevance in the 21st Century" on 14th April 2025 on the occasion of Ambedkar Jayanti. A floral tribute was paid at Dr. Ambedkar's statue by the Hon'ble Vice Chancellor, Programme Officers, and NSS volunteers, paying homage to the architect of the Indian Constitution and his enduring legacy of equality and justice.

USTM strongly condemns the Pahalgam Terrorist Attack

The University of Science and Technology Meghalaya (USTM) expressed deep sorrow and extends heartfelt condolences to the families of those affected by the tragic terrorist attack in Pahalgam. In a silent protest held by the students on 24th April 2025, they displayed playcards while strongly condemning the terror attack. Such acts of violence against innocent lives are inhuman and unacceptable. USTM stands in solidarity with the victims and their families during this tragic time and prays for peace and healing for all those affected.

Release of Books with ISBN Numbers edited by Faculty members

Two of the edited books authored by faculty members of the Department of Botany, USTM, were officially released on April 2, 2025, by the Hon'ble Vice Chancellor of USTM, Prof. G. D. Sharma, and the Advisor, Dr. R. K. Sharma. The scholarly books are: "BIO-BASED RESOURCE MANAGEMENT" edited by Prof. Pradip Kumar Baruah, Dr. Milu Rani Das, Dr. Bedabati Chowdhury, Dr. Dhritiman Chanda, and

Dr. Nazir Ahmad Bhat. "FRONTIERS ON RECENT DEVELOPMENTS IN PLANT SCIENCE" - edited by Dr. Kishor Deka (Department of Botany, Darrang College, Tezpur) and Dr. Nibedita Das. Both books have been published by Mahaveer Publications, Dibrugarh and are valuable contributions to the field of botanical sciences.

Vistas de Society- USTM Journal released

An online Journal of USTM "Vistas de Society" was officially released by Vice Chancellor Prof. G. D. Sharma and USTM Advisor Prof. R. K. Sarma. The release took place in the presence of Prof. Thagi Ram Gogoi (Dean, SSSH), Prof. Amit Choudhury (Dean, SOTM), and members of the Editorial Board on 23rd April 2025.

No Tobacco Day

Students from various departments of USTM participated in a powerful awareness procession against tobacco use on 24th April 2025 on the occasion of World No Tobacco Day-2025

Birth Anniversary of William Shakespeare

The Department of English celebrated the birth anniversary of the legendary William Shakespeare with a vibrant cultural procession across the campus on 23rd April 2025. Students brought iconic characters to life from Shakespeare's timeless plays, interacting with the audience and sharing the Bard's brilliance in front of the Amenity Centre. A tribute was paid to the master storyteller whose words still echo through time.

Seminar on “Quality Concrete for Sustainable Construction”

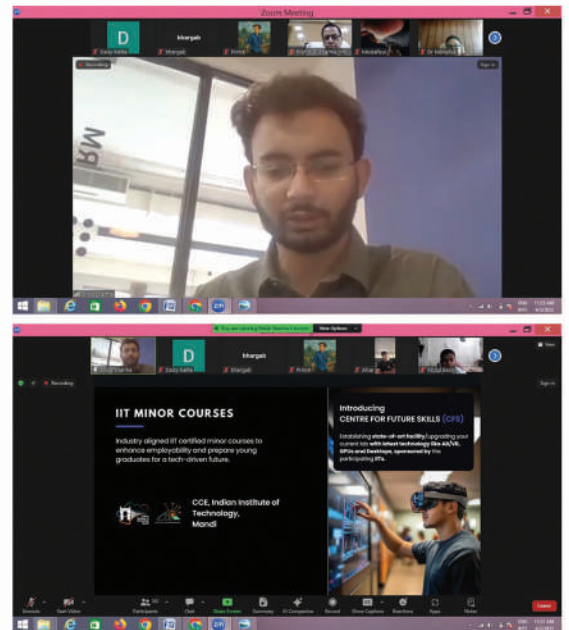

The Department of Engineering & Technology, USTM, in collaboration with the Indian Concrete Institute (ICI), Guwahati Centre, hosted a seminar on April 10, 2025, focusing on “Quality Concrete for Sustainable Construction.”

Dr. Utpal Kr. Baruah, Chairman of ICI Guwahati Centre, delivered the keynote address, emphasizing innovation in sustainable construction. The Chief Guest of the session Mr. Basanta Kr. Deka, Chief Engineer, Brahmaputra Board, Govt. of India, shared insights on Polymer Modified Concrete. Mr. S.A. Choudhury, Former Addl. Chief Engineer, PWD Assam, highlighted R&D efforts of ICI and applauded the ICI Students Chapter at USTM. The technical sessions featured Mr. Kushanabh Baruah (Reliant Foundations Pvt. Ltd.) on Pavement Quality Concrete and Mr. Pranab Kr. Deka (EIE Instruments Pvt. Ltd.) on quality testing equipment. The seminar concluded with a vote of thanks by Mr. H. A. Rashid, Secretary of ICI Guwahati Centre. The event saw enthusiastic participation from students and faculty, reinforcing the importance of sustainable and innovative practices in civil engineering.

Workshop on Transforming the Career with Industry-Relevant Skills

The Department of Computer Science, in collaboration with the Internal Quality Assurance Cell (IQAC), organized a workshop titled “Transforming the Career with Industry-Relevant Skills” on April 3rd, 2025. The event was designed to empower Computer Science students with the knowledge and skills essential for navigating the rapidly evolving tech landscape. A key highlight of the workshop was the insightful session delivered by Mr. Shlok Sharma, an esteemed IITian Kanpur alumnus, who joined the event virtually. Mr. Sharma emphasized the importance of aligning academic learning with industry expectations. He stated, “Educational institutions play a vital role in bridging the gap between academia and industry. By integrating industry-specific skills into the curriculum, we can transform students' careers and prepare them to thrive in a fast-paced, technology-driven society.” He also shared practical insights on the essential skills needed to stay ahead of industry trends. With enthusiastic participation from over 200 students, the workshop proved to be a resounding success, leaving participants inspired and better equipped for their future careers.

Workshop on Research Skills and Practical Insights

The Department of Physiotherapy organized an enriching workshop, empowering participants with essential research skills and practical insights on 26th April 2025. Two distinguished resource persons Prof. Kishore Kumar Das from the Department of Statistics, Gauhati University and Dr. Parbin Sultana, Professor, Department of Business Administration, School of Technology and Management, USTM addressed in the workshop. The valedictory session of the Hands-on Workshop was organized on 28th April 2025.

Training Program on “Dimensions and Relevance of Social Ethics for Contemporary Society”

The Department of Sociology, USTM, in collaboration with RC-30: Digital Sociology (Indian Sociological Society) and FLAIR (Forum for Learning and Action with Innovation and Rigor), New Delhi, successfully organized a two-day training program on “Dimensions and Relevance of Social Ethics for Contemporary Society” on 22nd and 23rd April 2025. The inaugural session witnessed the presence of eminent dignitaries including: Prof. Maitrayee Chaudhuri, President, Indian Sociological Society, Prof. Abdul Matin, Convenor of RC-30-ISS & President, FLAIR, Prof. Sambit Mallick, IIT Guwahati Prof. G.D. Sharma, Vice Chancellor, USTM, Prof. R.K. Sharma, Advisor, USTM and Prof. Thagiram Gogoi, Dean, School of Social Sciences & Humanities, USTM. The sessions were enriched by insights from renowned national and international resource persons like Dr. Paul Streumer from Netherlands, Md. Habibur Rehman from Bangladesh, Prof. B.P. Sahu from NEHU, Meghalaya, Prof. Nirakar Mallick from Assam University, Silchar, Prof. Subhas Chandra Roy, Former Head & Dean, NERIE-NCERT, Meghalaya.

Empowering Hands, Healing Lives: Workshop on Taping & Muscle Energy Techniques

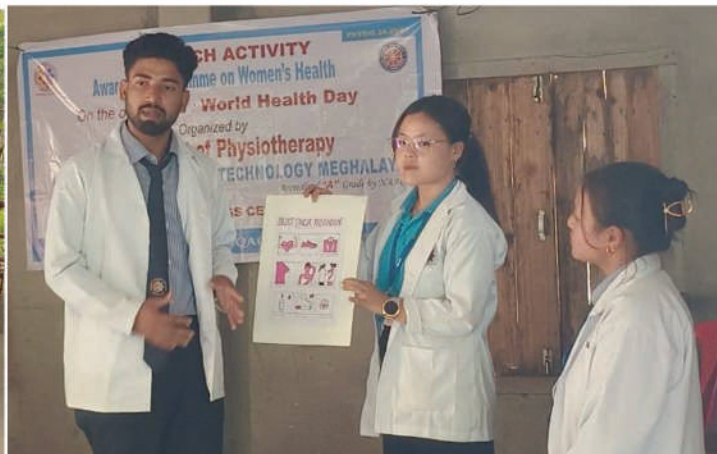

The Department of Physiotherapy, University of Science and Technology Meghalaya (USTM), organized a highly impactful Two-Day Workshop on Taping and Muscle Energy Techniques (MET) on 10th and 11th April 2025. The esteemed Dr. Vishal Jain, Dean & Professor, School of Allied Health Sciences, JECRC University, Jaipur, Rajasthan, served as the Resource Person, guiding participants through a journey of advanced clinical skills and practical application. The inaugural ceremony was graced by Prof. G. D. Sharma, Vice Chancellor, USTM, along with Dr. R. K. Sharma, Advisor, USTM, Dr. Habibul Islam, Dean, School of Physiotherapy and Allied Medical Sciences, and Dr. Tahsin Umer, Chief Medical Officer, USTM. The welcome address was delivered by Dr. Pooja Chaudhuri, Head of the Department, and the ceremony concluded with a vote of thanks by Dr. Bhargab Anand Sarma. The first day focused on various taping techniques—Kinesio, Rigid Sports, and Elastic Therapeutic Taping—highlighting their clinical applications in managing muscle strains, ligament injuries, and postural issues. The second day was dedicated to Muscle Energy Techniques (MET), with hands-on sessions and real-case demonstrations that deepened the participants' understanding and practical skills. The workshop concluded with a Valedictory Session and distribution of certificates. Participants expressed heartfelt appreciation for the enriching experience.

Free Mega Health Camp at Nokshigitthim

University School of Law & Research, USTM in collaboration with PIMC conducted a Free Mega Health Camp at Nokshigitthim at 3rd April 2025. Villagers received free medical consultations, health screenings, and medicines, ensuring better healthcare access.

World Health Day

The Department of Physiotherapy in collaboration with the National Service Scheme (NSS) Cell USTM organized an awareness camp on women's health at Nongspung village, Ribhoi on the occasion of World Health Day on 9th April 2025. The camp aimed to educate women about various health issues faced by women, promote preventive healthcare practices, and highlight the important role of physiotherapy in maintaining overall wellness. The students of the department enthusiastically displayed posters for awareness on Women's health among the women community and also explained about the importance of women health in their regional language. The awareness camp included an expert talk by Dr. Pooja Saikia, Assistant professor, Department of Physiotherapy. Dr Saikia spoke on women's musculoskeletal health, reproductive health, mental well-being, and nutritional needs, along with practical demonstrations of exercises for pain management and posture correction. The event saw active participation from the village community creating a significant impact by encouraging women to take proactive steps towards their health.

STUDENTS ACHEIVEMENTS

ALUMNI SUCCESS STORIES

Shraddha Gogoi

Miss Shraddha Gogoi, a distinguished alumni of the Department of Zoology, USTM is currently pursuing her higher studies in UK at University of Bristol, the University of Chester, and Imperial College London after apperaing the IELTS English language test.

Following her graduation from USTM, she pursued a Master's degree at Gauhati University. She also completed internships with Aaranyak and the Durrell Wildlife Conservation Trust, working on the Pygmy Hog Conservation Program.

Dr. Dikki N Marak

Dr. Dikki N Marak, proud USTM alumnus of USTM and now serving as an Assistant Professor at ICFAI University Meghalaya, Tura, met Chancellor of USTM Shri Mahbubul Hoque on 10th April 2025. Dr Marak expressed heartfelt thanks to the Chancellor for being a constant source of support, encouragement, and inspiration throughout his journey at USTM.

Dr. Zinnat Hassan

Dr. Zinnat Hassan, an alumnus of USTM, has carved a remarkable path in the world of Mathematics. Gold Medalist and Best Postgraduate Awardee at USTM, he pursued his Ph.D. at BITS-Pilani, Rajasthan under the DST-INSPIRE Fellowship, publishing 19 research papers in reputed international journals. Currently, he is contributing to the academic and research community as Assistant Professor, Department of Mathematics, SASTRA Deemed University, Tamil Nadu.

Ms. Klarchen Engtipi

Ms. Klarchen Engtipi, a student from the Department of Zoology, has been awarded the Best Presenter Award at the National Conference on Bioresource Research, Management and Sustainability on 24th April 2025.

The event was organized by the Department of Zoology, B. Borooah College in collaboration with the Assam Science Technology and Environment Council (ASTEC), the Zoological Society of Assam, and the DBT-NER Advanced Level Institutional Biotech Hub, B. Borooah College.

Team USTM shines at Social Work Festival

A team of 13 students and 2 faculty members from the Department of Social Work, USTM, recently participated in the Social Work Festival held at St. Joseph University, Nagaland. Students from the university showcased incredible talent, bringing home two prestigious trophies. Ms. Dolly Das and Ms. Wandabiang Nongrum from the Department of Social Work secured 1st Prize in the Painting Competition and Ludo Competition respectively. In addition to these achievements, the team impressed the audience with a powerful street play aligned with the theme of Social Work Day, as well as a group song performance.

Academic Excellence

Ms Klarchen Engtipi, Ms Manisha Nath and Ms Akanshya Senapati of Department Of Zoology participated and presented their research work in the "National Conference on Bio-resource Research, Management and Sustainability" on 23rd April 2025. This conference was held at and organised by the Department Of Zoology, B. Barooah College in association with ASTEC & ZSA.

Students who successfully cleared GATE 2024

RABIA SULTANA
Dept. of Zoology

DEVOLEENA DAS
Dept. of Zoology

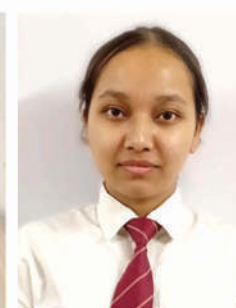

KARPUN PULI DOLEY
Dept. of Zoology

CHELSEA D SANGMA
Dept. of English

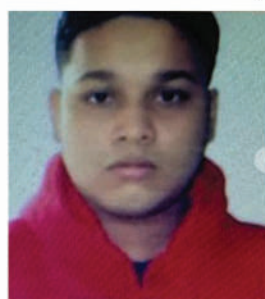

SURAJ ROY
