Seasoned academic administrator with over 20 years of experience in academic administration, research management, examinations management, and admissions across diverse higher education institutions. Served for eight years as an Assistant Professor in affiliated colleges before joining the University of Science and Technology, Meghalaya (USTM) in June 2012 as Deputy Registrar and Deputy Controller of Examinations. Subsequently selected as Controller of Examinations and Admissions.

Recognized for consistently high performance in managing complex academic and examination systems, with strong leadership, organizational, time-management, and negotiation skills. Energetic, results-oriented, and highly motivated, with a proven ability to coordinate and execute multifaceted procedures within established regulatory and institutional frameworks.

An active researcher with more than 10 research papers published in reputed journals and five book chapters to credit, currently serving as supervisor to five Ph.D. research scholars.

Presently serving as Controller of Examinations and Admissions, leading the full spectrum of examination and admission functions across all academic programmes of the University. Instrumental in ERP-based process automation, SOP development, and Ph.D. assessment coordination. Successfully spearheaded digital transformation initiatives, achieving 100% on-time result declaration and significantly enhancing operational efficiency through paperless administration.
