Syllabus for BA BEd and B.Sc BEd
Entrance Examination - 2026

Entrance exams for integrated BA BEd and B.Sc BEd courses typically cover Teaching Aptitude, Language Proficiency, General Knowledge, Logical Reasoning, and subject-specific topics (Arts/Science). The exam focuses on assessing candidates' aptitude for teaching, conceptual clarity in academic subjects, and language skills, typically spanning topics from Class 10th to 12th.

Common Entrance Exam Syllabus

The exam is usually divided into multiple sections

Teaching Aptitude (20-25%): Classroom management, inclusive education, teacher roles, and professional ethics.

Language Comprehension (20-25%): Grammar, vocabulary, and reading comprehension in English, Hindi, or regional languages.

Logical & Analytical Reasoning (15-20%): Series, coding-decoding, puzzles, blood relations, and data interpretation.

General Knowledge & Current Affairs (20-30%): National/international events, education-related news, and history/geography.

Subject Domain Knowledge (15-20%):

- **BA BEd:** History, Political Science, Geography, Economics, Sociology.
- **B.Sc BEd:** Physics, Chemistry, Mathematics, Botany, Zoology, Computer Science.

Structure and Key Topics

- **Duration:** Often 90 minutes to 2 hours.
- **Question Type:** Objective/Multiple Choice Questions (MCQs).
- **Level:** Generally based on Class 12th standards for integrated courses.
- **Key Areas:** For B.Sc BEd, strong focus on PCM/PCB; for BA BEd, focus on humanities subjects
